Performance Based Contracting for Services

- 1. Which of the suggested changes to the possible Service Categories shown on slide 15 do you support?**
- 2. Are there other changes you think would be beneficial? If you have additional suggestions, please describe them.**
- 3. What additional issues should Children's Administration include on the list of Assumptions and Issues?**
- 4. What concerns you most about the direction of Phase 1: Performance Based Contracting for Services?**
