**Informational Presentations on**

**Performance-Based Contracting Project**

Please join us to learn more about the effort to implement Performance Based Contracts (PBC) in Children's Administration (CA). We have scheduled six presentations on the current thinking and approach on Performance Based Contracting. Each of these presentations will cover the same information.

Our aim is to share the values, goals and concepts that will guide us as we begin working with you to improve the services provided to children and families in the child welfare system.

The presentations are scheduled for the following dates and times, with instructions to participate below.
